

We have a 3-year strategic refresh due.

05 May 2026 · 14 minutes · Strategy is drifting and nobody wants to say it

WHAT'S MISSING

We do not have the latest cash-flow forecast nor the segment EBITDA disclosure to weight the divestment scenarios honestly.

WHAT SOLVA CAN OFFER

Here are the framings worth examining, without weighting.

- Cash-flow constraint

RECOMMENDED NEXT ACTION

1. Pull last quarter's segment-level cash flow.
2. Get the CFO's draft of the strategic refresh capital ask.
3. Return for a full synthesis once both are in hand.
